

Member News ~ April 2021

The President's Pen

It is finally spring, daylight savings time, and the COVID vaccines are more available to all!

We have waited a long year for this and let us all hope and pray our country keeps going in the right direction toward some kind of normalcy. We are taking baby steps in our fundraising.

Your Executive Board has been working hard to plan as much as we can for the coming months. Enclosed in this mailing you will find information about our Bake-less Bake Sale with Anne Hassel, Auxiliary 2nd VP as Chair this year.

In addition, you will find information on a Mothers' Day Stock's Pound Cake Sale! Team Cape will be selling the famously delicious pound cakes, with a good portion coming to the auxiliary on each sale. They come freshly baked and freeze well if you are single, like me.

And, I am excited to let you know we are in the process of planning our **2021 Raffle** with 1st prize of **\$5,000** in Visa Gift Cards! We know everyone can use a little extra money at this time and we wanted to make this opportunity available by taking a chance with us. A future flyer and tickets will be mailed to each of you, so please check your mail and update us if your address will be changing.

You have always come through for us in one way or another. So **"Thank You"** to all that paid their dues, and if you forgot, please send in now. And thank you in advance for participating in our upcoming fundraisers as noted above, as we continue to think of innovative ways to raise money toward our \$1.5 million goal supporting the new Claire C. Brodesser Surgery Center ... due to open very soon!

We will stay in touch ... look for future emails and mailings ... and check our website (www.caperregional.com/Auxiliary) and our Facebook page for updated news and events.

I hope to see some of you literally this Spring/Summer. Stay well, keep wearing your masks and social distance.

Marge

**The Brodesser Cancer Center and Penn Medicine Announce a broadened Penn Cancer Network relationship!**

*Bringing World-Class Cancer Care to Cape May County*

The relationship will now include Penn Medicine’s provision of Radiation Oncology services at Cape Regional’s Brodesser Cancer Center, with on-site Penn Medicine radiation oncologists, technical review of all patient treatments, and access to the most advanced radiation therapy options available. Patients will also have access to state-of-the-art clinical trials and technology, including proton therapy, when needed, at Penn’s Roberts Proton Therapy Center — one of the largest and most advanced facilities of its kind in the world.

In addition to giving more patients access to participation in clinical trials and advanced therapies, surgery, and radiation techniques, the Penn Cancer Network provides the opportunity for true coordinated care allowing providers at both the Abramson Cancer Center and Thomas and Claire Brodesser, Jr. Cancer Center to work together to evaluate patients thoughtfully in order to provide the right treatment plans for each individual.

Cape Regional Health System is pleased to welcome **Richard Sterling, MD, FACS**, to Cape May County. Dr. Sterling is an ENT specialist with Penn Medicine Becker ENT & Allergy located in Cape May Court House. He is board certified in otolaryngology, head and neck surgery.

Dr. Sterling completed his medical training at Temple University School of Medicine and his residency at the Medical University of South Carolina at Charleston. Dr. Sterling has over 30 years of experience in adult and pediatric ear, nose and throat surgical and specialty care.

Dr. Sterling’s office is located at ***Cape Regional Brighton Plaza, 307 Stone Harbor Boulevard, Cape May Court House, NJ***. To schedule an appointment, please call ***609-899-7200***.

Cape Regional Health System is pleased to welcome **Dr. Rachna B. Joshi** to Cape May County. Dr. Joshi has joined Cape Regional Physicians Associates’ primary care practice located in North Cape May, NJ. She is board certified in internal medicine.

Dr. Joshi graduated from the Government Medical College, South Gujarat University, Surat, Gujarat, India and completed her residency training in internal medicine at the Capital Health Regional Medical Center in Trenton, NJ. Prior to joining Cape Regional Physicians Associates, Dr. Joshi served as an inpatient hospitalist at two local medical centers and most recently was in private practice in Manahawkin, NJ.

Dr. Joshi’s office is located at ***Cape Regional Medical Plaza, 3806 Bayshore Road, Suite 101, North Cape May, NJ***. To schedule an appointment, please call ***609-463-CAPE***.
