- Oxygen therapy education that includes: BiPap, CPap, O<sup>2</sup> delivery devices
- Education on responding to medical emergencies
- IV course
- Nurse Residency program that includes supportive preceptors and progress meetings to meet your individual needs.

*“New graduates bring energy to the profession.  
As a preceptor, I am excited to share my  
experiences and love of nursing.”*  
~ Patricia Burch RN, MSN

## About Cape Regional Health System

Cape Regional Health System is an integrated healthcare delivery system serving residents and visitors throughout Cape May County. The system includes Cape Regional Medical Center, three urgent care facilities, Cape Regional Physicians Associates with over 50 primary care providers and specialists delivering services in multiple locations throughout Cape May County, the Thomas and Claire Brodesser, Jr. Cancer Center, the Claire C. Brodesser Surgery Center, Cape Regional Home Health Care Managed by BAYADA, the Jane Osborne Center, Cape Regional Miracles Fitness and numerous freestanding outpatient facilities providing wound care, radiology, lab, and physical therapy services.

Cape Regional’s Thomas and Claire Brodesser, Jr. Cancer Center is a Penn Cancer Network member. Cape Regional Health System is also a clinical affiliate of Penn Medicine for Orthopaedic Care, Vascular/Endovascular Care, Cardiac Care and Pulmonary Care.

Cape Regional Medical Center is accredited by and received the Gold Seal of approval from The Joint Commission.
